

Cal OES Daily Situation Report

November 2, 2022

A big thank you to Metro Fire PIO for stopping by Cal OES with its pink and blue cancer awareness engine last Monday; as October's Breast Center Awareness Month closes and November's Men's Health Awareness Month being.

Snow	Inland/Southern (Mountains)	Inland/Southern (Mountains)			Inland (mountains)	Inland (mountains)	

Risk Levels	Little to None	Minor	Moderate	Major	Extreme
-------------	----------------	-------	----------	-------	---------

Weather Key Points

Regional Operations Center

Western Region

Wednesday, November 2

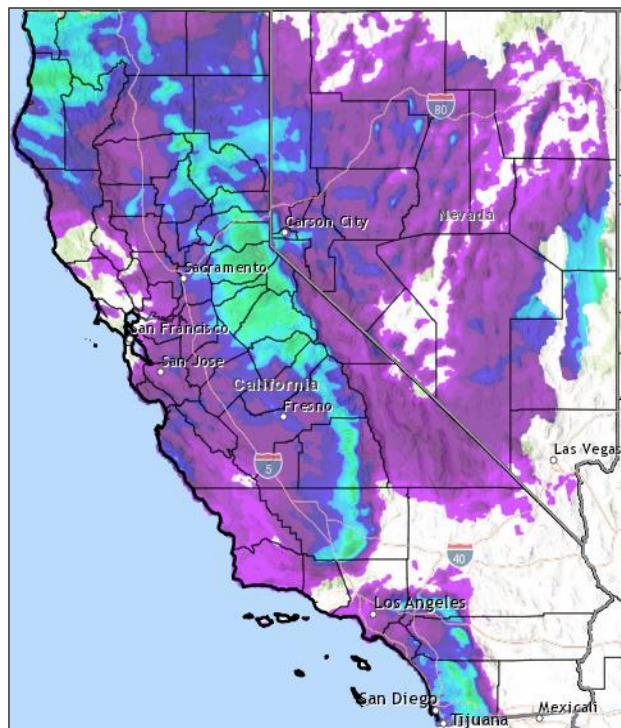

- Periods of rain and higher elevation snow, gusty winds, and much cooler temperatures will continue over much of the state through Wednesday, winding down Thursday
- **Rain:**
 - An additional one-tenth to one-quarter inch of rain is forecast for much of the state, with localized amounts up to one-half inch. Little to no precipitation is forecast over the Mojave Desert and Imperial Valley.
 - No significant or widespread burn scar impacts are currently expected, with this precipitation being very beneficial. Most burn scar locations will receive less than one-quarter inch of rain from this storm.
- **Snow:**
 - Snow levels will drop to as low as 3,000-5,000 feet.
 - Northern California: Additional 1-4 inches above 5,000 feet, with 3-6 inches above 7,000 feet, especially in the Sierra.
 - Southern California: 2-5 inches above 6,000 feet
 - Impacts to travel are likely over the Sierra, including along Interstate 80, and across portions of Interstate 5 in northern and southern California mountain passes.
- **Wind:**
 - Northern California: Gusts to 45 mph at higher elevations with areas of reduced visibility in blowing snow.
 - Southern California: Gusts 35-55 mph are possible across the mountains, with periods of lower visibility in blowing snow.
 - Outside of precipitation, elevated fire weather conditions are possible with the combination of gusty winds and dry conditions.
- Another storm system could impact portions of northern and possibly southern California Saturday through Monday. At this time, there remains a large amount of uncertainty regarding the track and strength of this storm so any specific impacts are unknown.

SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Normal Operations	Normal Operations	Normal Operations

2022 May Monkeypox Virus

On 08/01/22, the Governor proclaimed a State of Emergency to support the State's response to Monkeypox. A copy of the proclamation can be found [here](#).

The California Department of Public Health (CDPH) activated the Medical and Health Coordination Center (MHCC) at Level 3 (low) in response to the 2022 May Monkeypox Virus event on 05/24/22; and increased the activation to Level 2 on 07/18/22.

- Hours of Operation: Monday to Friday, 0800 hours to 1700 hours until further notice.

Emergency Management Assistance Compact (EMAC)

- Nothing significant to report.

Cal OES INLAND REGION

- Monitoring the incoming storm event scheduled for 11/1/22 - 11/3/22. Additional updates will be provided if conditions escalate.

Cal OES COASTAL REGION

- Monitoring the incoming storm event scheduled for 10/31/22 - 11/3/22. Additional updates will be provided if conditions escalate.

Cal OES SOUTHERN REGION

- Monitoring the incoming storm event scheduled for 11/2/22 - 11/4/22. Additional updates will be provided if conditions escalate.

COVID-19 SUMMARY

Coronavirus Disease 2019 (COVID-19)

On 03/02/20 at 0700 hours, the Cal OES State Operations Center (SOC) activated at Level 1 in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

SMARTER Plan

On 10/17/22, Governor Newsom unveiled the "[California Smarter Plan Updates October 2022](#)". The plan emphasizes continued readiness, awareness and flexibility and helps ensure California can maintain its focus on communities that continue to be disproportionately impacted and stay prepared to swiftly and effectively respond to emerging COVID-19 variants and changing conditions. Governor Newsom is set to lift the State of Emergency in early 2023, and this update provides information on California's progress to date and how we move forward.

CDPH Statewide Travel Advisory

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Enforcement Missions

- **2022-LAW-83073, 10/20/22:** Annual Sikh Parade and events. Yuba City, Sutter City. 36 APX HTs for LEMA are being deployed on 10/20/22. Event dates are November 4 – 6. Communications Coordinator is coordinating.
- **2022-LAW-83604, 11/02/22: 0354 Hours:** The AFRCC contacted CalOES regarding a PLB activation in Anaheim with an accuracy of 2 miles (33.839980, -117.883315). The device has been sounding since 12pm yesterday. The CalOES LDO contacted the registered owner who advised the PLB was affixed to a life raft that was attached to an aircraft that he sold back in August of 2021(Tail # 306TT). The R/O advised he was in Chicago and believed the new owners were in California. He believed that the new owners did not re-register the devices assigned to the aircraft. The AFRCC was going to contact the Civil Air Patrol and see if they could assist with locating the aircraft and silence the device. **Mission On-Going**

Cal OES MISSION TASKINGS

Cal OES Missions

- Nothing significant to report.

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
